Hon'ble Mr. Pears, Mrs. Pears, Ladies & Gentlemen.-

I beg, to offer to you, my heartiest welcome, express, my sincerest thanks, for your, so kindly, responding, to my invitation, and, gathering here, today, to witness, the opening ceremony, of the Gosha Hospital, which bears my name.

I beg, respectively to tender, my sincerest thanks to Mrs. Pears, who has, so kindly, undertaken, to open, this hospital, today. It is a matter, of common knowledge in Bangalore, that Mrs.Pears, is keenly interested, in all philanthropic endeavours, and in all institutions, which advance, the health, happiness, and well-being, of the people of Bangalore.

I venture to think, that the institution, which is now, about to be, made available, for the treatment, of purdah ladies, will indeed, meet, a want, and will be, of inestimable value, and advantage, to suffering humanity.

You will permit me, a few words, on the history, of the present project, which has, now been brought, to a successful termination. You are all, no doubt, aware, that there are, other hospitals, for women, in the Civil and Military Station, which have, in the past, enjoyed, and which, still enjoy, the utmost popularity, among

women, of all classes. Notable, among those institutions are, the Lady Curzon Hospital, and the Zenana Mission Hospital. In the Lady Curzon Hospital, the wards, are intended for, European women, and children, caste, and non-caste, Hindus, and for Mahomedan women, who are willing, to be treated in part, at least by male doctors. These Hospitals provide, for the majority, of our women, all the necessary accommodation, and treatment required. There is, however, a small minority, of people, whose views are, orthodox, and who, by reason, of their social, and religious customs and prejudices, which do not permit, of their appearing in public, would prefer, treatment, in a separate Hospital, where, facilities, for strict observance of purdah, would be given, when they resort, for relief, from illness, and, where, medical treatment, can be had, from, Lady Doctors and Staff. In order to meet, the wants, of this class, this Gosha Hospital, has been erected.

Recognizing, the need, for a Hospital would provide, for the treatment, of strictly purdah ladies, I took, advantage, of the gracious visit, of Her Excellency, Lady Chelmsford, to Bangalore, to announce, my intention, of providing, a sum, of one lakh of rupees, for the erection, of a purdah hospital, and expressed, the hope, that the benign Government, would undertake, the

liability,

who have helped, to bring this scheme, to fruition. To Mrs. Pears, I desire, to express, the deep sense, I have of the honour, which, she is, now conferring, upon me, and this institution, by graciously consenting, to open, this Hajee Sir Ismail Sait Gosha Hospital. I have, great pleasure, in handing, to you, this key, with which, I request you will be pleased, to open the gates, of this Hospital, and, I beg that you will kindly, accept this key, as a momento, of this auspicious occasion.

SIR,

I have the honour to invite a reference to para 4 of your letter No.7314/247-1919 dated 12-9-23 to the Government of India in which it was stated that the Municipal Commission, Civil and Military Station had agreed to contribute ¼ of the salary of the Lady Doctor attached to the Gosha Hospital in the event of her being placed in charge of the Infant Welfare scheme and to state as follows:-

2. In accordance with the general principles relating to the recovery of contribution in respect of Government officers lent to Local bodies and also following the practice adopted in the case of recovery from the Municipal Commission on account of the Hackney Carriage establishment, the President, Municipal Commission was addressed to credit to Government each month in advance a sum of Rs.119-12-0 being 1/4 of the average cost of the appointment of the Lady Doctor plus 25% for leave salary and pension. He has however replied that the Municipal Commission had agreed to pay only ¼ of the actual salary of the Lady Doctor as an experimental measure till the end of the current financial year and that it would not pay any amount in excess of what is due on the basis of the actual expenditure incurred.

It is requested that the orders of the Hon'ble the Resident may kindly be obtained and communicated to me whether he agrees

with the views of the President, Municipal Commission. If he agrees; the recovery on account of the services of the Lady Doctor during the current year will be only Rs. about Rs.203/- for the period 10-12-25 to 28-2-26.

Copy of letter No.M/1835, dated 16th. March 1926 from the President, Municipal Commission, Civil & Military Station, Bangalore, to the Residency Surgeon, Bangalore.

Land purchased on Robertson Road, Fraser Town for constructing a Gosha Hospital.

I have the honour to state that land was first acquired on Robertson Road for a Gosha Hospital but the site was afterwards changed and the Hospital built where it now stands in Old Cubbon Lines. The Robertson Road site was divided up into 32 building plots and put up to public auction but only 12 plots were sold there being no bidders for the other plots. Mr. T. Austin the then Collector decided to sell the remaining 20 plots by private sale at Rs.600/- each. Accordingly all these plots were sold with the exception of plot No.22 which contained a large well with water. This was reserved with a view to allow the purchasers of plots to take water from it for constructing buildings. In November last the well was cleaned and an elevator fixed over it to enable the residents in this locality to draw water from it for domestic and other purposes.

I am willing to buy the plot and well for the commission at the price fixed i.e. Rs.600/-/-.

I request you to kindly let me know whether you agree to this.

Salary of Lady Doctor attached to the Gosha Hospital Civil and Military Station, Bangalore.

S.133 *With reference to your letter No.2465/247-1919 dated the 18th March 1926 on the above subject, I have the honour to state that the intention of the Commission in passing their resolution No.33 dated the 31st May 1923 was to contribute one fourth of the salary of the Lady Doctor in charge of the Gosha Hospital if it decided subsequently to put her in charge of the Maternity and Child Welfare work. From the discussions contained in the detailed proceedings enclosed, it will be seen that the resolution was passed on this understanding.*

2. *When the question of utilising the Lady Doctor's services came before the Commission in November 1925 they resolved that her services be availed of on the terms suggested till the end of the current financial year as an experimental measure and on the understanding that she will devote at least two hours daily to Welfare work - vide resolution No.6 dated the 8th November 1925 (copy enclosed). Again in their resolution No.III dated the 5th March 1926 (copy enclosed) while passing the Budget Estimates for 1926-27 the Commission resolved to continue the services of the Lady Doctor in connection with the Welfare work during 1926-27. In the above circumstances the Commission is I think justified in confirming its liability to*

33. Letter No.31, dated 7th April 1923 from the Residency Surgeon Bangalore, recommending that 1/4th of the salary of the Lady Doctor nominated for the charge of the Gosha Hospital be borne by the Commission.

Recommended that, in the event of the Lady Doctor in charge of the Gosha Hospital being put in charge of the maternity and Child Welfare scheme, the Municipal Commission contribute one fourth of her salary.

The President said that it was contemplated originally that the Lady Doctor in charge of the Gosha Hospital should supervise the Child Welfare scheme. The Hon'ble the Resident now wanted to know what portion of her salary would be borne by the Commission in the event of her being put in charge of the maternity and Child Welfare work.

Mr. Webster was opposed to any such expenditure as the Hospital was not undenominational.

The President then explained that the quarter salary was required for Welfare Department Work, upon which Mr. Webster withdrew his objection.

Mr. Rajagopal Moodr, did not see the necessity for a Lady Doctor for the Welfare Work, or why the Commission should contribute towards her salary.

Major Ross Stewart pointed out that the Gosha Hospital would only be a 12 bedded one, and the doctor in charge thereof would have ample time to do other work.

Mr. Jeremiah thought that Major Ross Stewart's argument was rather against the recommendation.

Major Ross Stewart replied that the Municipality had nothing to do with the Gosha Hospital.

Continuing Mr. Jeremiah said he thought that such help would be superfluous.

The President then pointed out that the portion of the salary was to be given only in the event of her services being engaged.

Again speaking, Mr. Jeremiah said that the Gosha Hospital was a private institution, and could be either worked privately or taken over by the Government. It would be confined to wealthy members of one community.

Mr. B. N. Rao emphasised that the Hon'ble the Resident had simply asked whether in the event of the Lady Doctor of the Gosha Hospital being put in charge of the Welfare Scheme, the Municipality would be willing to contribute. The Welfare Work was increasing, and the Municipality would probably in time have to put a full time and full paid employee in charge of it, so that the Resident's proposal, if accepted, would save them money.

Mr. Johnson agreed with the Vice President and also emphasised the need of effectually coping with the increased welfare work.

P.T.O.

Replying to the debate, Major Ross Stewart said that the Lady Doctor who had been selected for the charge of the Gosha Hospital had been specially trained in Welfare Work.

The President then put the recommendation of the Standing Committee to the meeting and it was carried.

Resolved that the recommendation of the Standing Committee be approved.

S.129 Letter N. 150/98, dated the 30th Nov. 25, from Residency Surgeon.

Please see Srs. 119 and 120.

There has been a clerical mistake in totalling the figures for the price of "miscellaneous articles for use in the kitchen" in the statement at flag C. The total amount should be Rs "319-9-0" instead of "Rs 219-9-0".

But the correction has not been made in the statement. If approved, the correction may be made.

So the total amount for the articles for use in the kitchen and in the wards comes to Rs 892-9-0 (Rs 319-9-0 + Rs 573-0-0).

If approved, it may be sanctioned.
